

## Curriculum Vitae

**AFSHIN SHAFAGHI , M.D**

**Associate Professor of Medicine**

**Member of Iranian Association of Gastroenterology and Hepatology(IAGH),**

**Member of American Gastroenterology Association (AGA)**

1.

### **Personal ID:**

**First name:** Afshin  
**Surname:** Shafaghi  
**D.O.B:** 09/17/1972  
**Nationality:** Iranian  
**Academic position:** Associate Professor of Internal Medicine . Gastroenterology Hepatology ward,  
Faculty of Medicine, Guilan University ( Medical Sciences)  
**Address /office:** Gastrointestinal and Liver Diseases Research Center, Razi Hospital, Sardar-e- Jangle  
avenue, Rash, Iran  
Tel: + 98 131 553 5116, Fax: + 98 131 553 4951  
Mobile:+ 98 911 1368274  
**E-mail:** [Drafshinshafaghi@gmail.com](mailto:Drafshinshafaghi@gmail.com)

### **Qualification & training**

<b><u>Grade</u></b>	<b><u>Date</u></b>	<b><u>Place</u></b>
MD	1990- 1997	Guilan University ( Medical Sciences)
Internal Medicine (with approval of National Board)	1999 – 2003	Guilan University ( Medical Sciences)
Gastroenterology & Hepatology (with approval of National Board)	2006 – 2008	Tehran University ( Medical Sciences)

### **Scientific & professional positions**

1. Educational Consultant of Guilan Medical University Chancellor:2014 ongoing
2. Vice chancellor of education, Guilan University ( Medical Sciences): 2012-2013
3. Member of American Gastroenterology Association (AGA)
4. Member of Iranian Association of Gastroenterology and Hepatology(IAGH)

5. The chairman of Razi hospital ,Rasht , Guilan University ( Medical Sciences):2010-2012
6. Member of arbitrator committee of the first medical students scientific olympiad , Isfahan 2009
7. Member of EDO , medical faculty Guilan University ( Medical Sciences), 2009
8. The chairman of Vali-Asr(PBUH) hospital ,Rudbar, Guilan University ( Medical Sciences): 2005- 2006.
9. Member of Gastrointestinal & Liver Diseases Research Center (GLDRC): 1999...ongoing.
- 10- Chief resident of internal medicine ward, Guilan University ( Medical Sciences): 2001
- 11- Founder of student research committee, Guilan University ( Medical Sciences):1995
- 12- Reviewers of medical journals ( Hepatitis Monthly , Medical Journals of Islamic Republic of Iran ,etc )

۸-مسئول فنی ساعات صبح بیمارستان رازی رشت

۹-عضو کمیته ارزیابی واکنش سریع دانشگاه

۱۰-عضو اجرائی نخستین(اصفهان ) و دومین (شیراز) المپیاد دانشجویان علوم پزشکی کشور

۱۱-عضو شورای انضباطی تجدید نظر دانشگاه

۱۲- مسئول واحد استعدادهای درخشان دانشگاه

۱۳- رئیس کمیته حاکمیت بالینی بیمارستان رازی رشت

۱۴- عضو کمیته پدافند غیر عامل دانشگاه

۱۵-عضو هیات داوران مرکز تحقیقات بیماریهای گوارش و کبد دانشگاه

### **Presentation in International Congresses**

1. The Effect of Metronidazole in Triclabendazole resistant human fascioliasis in Iran. The 9<sup>th</sup> United European Gastroenterology congress, Amsterdam, The Netherlands, Poster, colleagues: Mansour-Ghanaei F, Farahwash MJ, , Mirmomen SH, October 6-10, 2001.
2. Prevalence of Hepatitis B and C seromarkers and abnormal liver function tests among hemophiliacs in Guilan, Iran. World Congress of Gastroenterology, Bangkok, Thailand, Poster, colleagues: Froutan H, Mansour-Ghanaei F, Naseri S, , Fallah MS, February 24- March 1, 2002.
3. Low Gradient Ascites: A seven year course Review. 10<sup>th</sup> United European Gastroenterology Congress, Geneva, Switzerland, Poster, colleagues: Mansour-Ghanaei F, October 19-23, 2002.
4. Evaluation of the prevalence of cyclic citrullinated peptide antibody (CCP) in patients with inflammatory bowel disease. Abstracts of Iranian Congress of Gastroenterology and Hepatology- 2013
5. Lets try quintuple therapy as a rescue eradication regimen for refractory HP infection .  
**UEG Week 2014** - Abstract submission Topic area: 3. H. PYLORI Topic: 3.5. Treatment  
 UEG14ABS-1375

### **Publications in Peer Review Medical Journals (English)**

1. Mansour-Ghanaei F, Shafaghi A, Bagherzadeh AH, Fallah MS Low gradient ascites: a seven-year course review.. World J Gastroenterol, 2005 Apr 21; 11(15): 2337-9.

2. Mansour-Ghanaei F, Shafaghi A, Fallah M The effect of metronidazole in treating human fascioliasis.. Med Sci Monit, 2003 Oct; 9(10): PI 127-30.
3. Mansour-Ghanaei F, Dehbashi N, Yazdanparast K, Shafaghi A. Efficacy of saccharomyces boulardii with antibiotics in acute amoebiasis. World J Gastroenterol , 2003 Aug; 9(8): 1832-3.
4. Yousefi-Mashhoor M, Ramezani N, Farzaneh F, Nassiri R. Prevalence of hepatitis B and C seromarkers and abnormal liver function tests among hemophiliacs in Guilan (Northern Province of Iran). Mansour-Ghanaei F, Fallah MS, Shafaghi A,. Med Sci Monit, 2002 Dec; 8(12): CR797-800.
5. Mansour-Ghanaei F, Fallah MS, Shafaghi A Eradication of Helicobacter pylori in duodenal ulcer disease Tetracycline & Furazolidone vs. Metronidazole & Amoxicillin in Omeprazole based triple therapy..Med Sci Monit, 2002 Mar; 8(3): PI27-30.

**Presented in National Conferences and Seminars**

1. Personal Health Evaluation . General Practitioners Training program, Guilan University of Medical Sciences, Rasht, Iran, oral presentation, March 2009.
2. Approach to patients with ascites , Seminar of continues training of General Practitioners, Guilan University of Medical Sciences, Rasht, Iran, oral presentation, December 2008
3. Viral Hepatitis . General Practitioners Training program, Guilan University of Medical Sciences, Rasht, Iran, oral presentation, December 2008.
4. Vit E and acute hemolysis of Favism, Iranian 3<sup>rd</sup> congress of hematology and oncology , Tabriz University (Medical Sciences) , Iran , October, 2001
5. The comparative study of Hematologic changing in Iran - Iraq war Guilanian chemical invalids with healthy persons. 9th Iranian internists Association congress, Tehran, Iran, Poster, colleagues: Mansour-Ghanaei F, Alizadeh GH, Balou HA, May 11-14, 1998.

**Publications in National Medical Journals**

1. A 5 year study on Dissertation of medical students in Guilan University of Medical Sciences, from 1369 to 1373 (1980 – 1984). Mansour-Ghanaei F, Shafaghi A, Faridi M, Nikzad H, Azimi A. Journal of Guilan University, Spring and Summer, 1998; 7(25 – 26):9-15.
2. A study on long term effect chemical wares on cells and hematological criteria in injured soldiera. Mansour-Ghanaei F, Shafaghi A, Alizadeh G, Balou HA. Journal of Kashan University of Medical Sciences & Health services, Autumn, 2001; 5 (15):3-4
3. Prevalence of hepatitis B and C seromarkers and abnormal liver function tests among hemophiliacs in Guilan Province Iran. Mansour-Ghanaei F, Froutan H, Fallah MS, shafaghi A, poorshams A, Ramezani N. Journal of Guilan University, Autumn and Winter, 1999- 2000; 10( 39 – 40):56-64.
4. Laparoscopic , Biochemical and Clinical findings in patients with exudative ascites of unknown cause . Journal of Guilan University summer 2008,66:95-102.
5. Assessment of low gradient acitis in hospitalized patients in Rasht 1993-2000. Mansour Ghanaei F, BagherZade A, Shafaghi A. Journal of Kashan University of Medical Sciences & Health services, summer, 2005 ;7(2):24-27 .
6. Survey of PEG effects on serum electrolytes ,Shafaghi A, Gholampour M, Froutan H, et al ,Journal of Guilan University of Medical Sciences ,19 (75):11-17

**Book Publications & Translations:**

Number	Title	Year of Publication	Writing	Translation
1	Helicobacter Pylori	2011	*	
2	Mosbys Physical Examination :Pulmonary System	1998		*

**Dissertations guided:**

No.	Title	Profile	Year
1	<b>Determining the prevalence of Low Gradient Ascites causes in patients admitted in Razi &amp; Poorsina Hospital from March, 1995 to September, 2001.</b>	<b>Residency</b>	<b>2001</b>
2	<b>Effect of PEG for bowel preparation on serum electrolytes</b>	<b>Residency</b>	<b>2009</b>
3	<b>A comparative study of doppler parameters in cirhotic patients with and without esophageal varices</b>	<b>Fellow</b>	<b>2010</b>
4	<b>Quintuple therapy for refractory H pylori infection</b>	<b>Fellow</b>	<b>2011</b>
5	<b>Prevalence of celiac disease in rheumatoid arthritis patients referred to Rasht Razi hospital</b>	<b>Residency</b>	<b>2012</b>
6	<b>Fibroscan findings in methotrexate administered patients</b>	<b>Fellow</b>	<b>2014</b>
7	<b>Prevalence of low bone mass density in non alcoholic cirrhotic patients</b>	<b>Residency</b>	<b>2013</b>
8	<b>A survey of TB peritonitis in Rasht hospitals</b>	<b>Intern</b>	<b>2010</b>
9	<b>Evaluation of metastatic to resected lymph nodes ratio in gastric cancer patients</b>	<b>Intern</b>	<b>2011</b>

### **Memberships in National and International Scientific Association**

1. Iranian Association of Gastroenterology and Hepatology (IAGH) from 2008.
2. American Gastroenterology Association (AGA). 2013

### **Participating in Research & Training Courses:**

1. Workshop of “New Methods for Clinical Evaluation”, by Educational vice-chancellor of Guilan University (Medical Sciences), Jan 2009, Razi Hospital, Rasht, Iran.
2. Workshop on Research Methods on Sport Medicine , GLDRC& SMFIRI, Guilan University ( Medical Sciences), 1993, Rasht, Iran.
3. Workshop of research method. Research vice-chancellor of Ministry of Health ,Guilan University of Medical Sciences, 1993, Rasht, Iran.
- 4- Attendance certificate of the 3<sup>rd</sup> regional conference of Asian-Pacific Organization for Cancer Prevention (APOCP), April 25-27 2005 , Zibakenar ,Rasht ,Iran.
- 5- Certification of ERCP workshop ,by RCGLD ,Shahid Beheshti University (Medical Sciences), Oct 8-9 2008, Tehran ,Iran
- 6-Confirmation of attendance , Gastro 2009 UEGW/WCOG London ,November 21-25 ,2009
- 7- Certification of Accreditation Canada educational workshop ,London ,Tehran , October 25, 2010

### **Appreciations & Encouragements:**

1. Receiving appreciation From the Minister of Health , due to preferable medical student 1997-1998.
2. Receiving appreciation From the Minister of Health , due to Superior grade of National Board of Gastroenterology and Hepatology ,2008
3. Receiving appreciation from the social vice-chancellor of Guilan Governor because of cooperation in the health evaluation of public sporters .
4. Receiving appreciation from President of GUMS because of friendly and sincere cooperation and efforts in celebrating the First International Training Course of Neurosurgery and The 4<sup>th</sup> Symposium of Skull Base Surgery (1998).
5. Receiving appreciation from the chairman of Imam Khomeini Hospital, Tehran University ( Medical Science) because of efforts to perform timely endoscopy for acutely ill patients (2007).

6. Receiving appreciation from the educational vice-chancellor of GUMS because of saving the life of a near dead patient (2001).
7. Receiving appreciation from the chairman of health network ( Rudbar city , Guilan province) due to patients satisfaction ( 2003 ).
8. Receiving appreciation from chairman of Razi hospital(Rasht) due to efforts to perform my responsibilities well(2000).
9. Letter of appreciation from Governor of Guilan province due to efforts in the health field
- 10- Letters of appreciation from chancellor of Guilan university due to success in providing health services for underserved populations
- 11- Letter of appreciation from Deputy Education Minister due to Proper holding of Iranian national medical Olympiad

**Research Interests:**

1. GI Cancers (Esophageal, Gastric and Colon cancers)
2. Peptic Ulcer Disease (Duodenal & Gastric Ulcers)
3. Helicobacter Pylori
4. Gastrointestinal and Liver Parasitic Infections
5. Irritable Bowel Syndrome
6. Viral Hepatitis B & C , Cirrhosis
7. IBD (Inflammatory Bowel Diseases) .

**Dr. Afshin Shafaghi**  
**Gastrointestinal and Liver Diseases Research Center**  
**Guilan University of Medical Sciences**  
**Razi Hospital, Sardar Jangle Ave**  
**41635- 3677 Rasht**  
**Iran (Islamic Republic of Iran)**

**Last Revision: 14/02/2014**
